The International Community for Drymix Mortar

Category: [Additives](#)

As of: 20. November 2019

URL: <http://www.drymix.info/industry-directory/additive/>

[Reda Industrial Materials International S.A.R.L.](#) (English)

Distributes building chemicals from various producers in the Middle-East area.

[Yil-Long Chemical Group Ltd.](#) (English)

Manufacturing and Marketing organisation for cellulose ethers, redispersible powders, titanium dioxide, iron oxide pigments, bentonites and dispersing agents of chinese origin.

[Material Innovative Gesellschaft mbH \(MIG mbH\)](#) (German)

Manufacturer of chromate-reducing agent (cem-protector) based upon stannous (tin) II sulfate. Several products available in powder form

[Italcementi Group](#)

Manufacturer and licensor of a daylight active photocatalytic substance for the use in air purifying renders based in adiabatic titanium dioxide (tradename TXActive)

[Knopp-Chemie GmbH](#)

Manufacturer of various additives for screeds based on anhydrite or cement (plasticizers, retarders, accelerators, tradename Contopp).

[BASF AG](#)

Manufacturer of encapsulated paraffines (liquid or powder) for the integration of climate-control renders called Phase Changing Materials, PCM. PCMs absorb or release (heat) energy and thus regulate the climate inside the building (tradename Micronal PCM).

[Syntapharm GmbH](#)

Manufacturer of Magnesium fluorosilicate (syntana.com website currently out of order, we link to syntana.de).

[Beijing Organic Chemistry Plant](#)

Manufacturer of VAc-E emulsions and polyvinyl alcohol (PVA). Website currently unavailable.

[W.R. Grace & Co.](#)

A complete line of grinding aids, quality improvers and masonry cement additives for use in the production of cement.

[MIG mbH](#)

Manufacturer of VOC-free dust control additive for the production of drymix mortar.

[BASF SE](#)

Manufacturer of thermo-sensitive phase-change materials for use in exterior renders (tradename Micronal PCM)

[Evonik Nutrition & Care](#)

Manufacturer of stannous (tin) II sulfates used as chromate reducing additive for cements.
