Deutsche Bauchemie e.V.
German association of the construction chemicals industry, a division of VCI.

Fachgruppe Bauchemie der GDCh
Section "Building Chemistry" of the German Chemical Society (Gesellschaft Deutscher Chemiker GDCh) - focuses on all issues concerning the topic from the view of the supplying industry, the construction sector as well as the building occupants.
The section exists since 1997 and is involved in many normation and specification processes. About 300 participants, annual congress (see: events).

Fachverband WDVS (EIFS)
Industry association for the biggest market of EIFS, Germany. With many detailed informations not only regionally applicable.

European Mortar Industry Association EMO
The EMO has been founded in 1991 in order to create a technological exchange between mortar manufacturers, harmonize the product definitions and standards and to provide a platform for drymix mortar producers amongst the other construction-related associations in Europe. EMO also publishes online the EMODICO technical dictionary in 5 European languages.

The Middle East Drymix Mortar Association MEDMA (English)
Industry association of drymix mortar manufacturers and suppliers in the Middle East (Palestine, Lebanon, Jordan, Syria, Iraq, Iran, Afghanistan, Pakistan, Egypt, Saudi Arabia, Kuwait, Bahrain, Qatar, United Arab Emirates, Oman, Yemen)

The South East Asia Drymix Mortar Association SEADMA (English)
Industry association of drymix mortar manufacturers and suppliers in the SEA region (Myanmar, Thailand, Laos, Cambodia, Vietnam, the Philippines, Malaysia, Brunei, Singapore, Indonesia).

China Drymix Mortar Council CDMC (in CBMC)
Association of the drymix mortar industry in China and Hongkong.

EIFS Industry Members Association
American association for the promotion of EIFS.

Association of the Wall and Ceiling Industry
US-Association for wall and ceilings.

Floor Installation Association of North America
Association of floor installers and suppliers to this industry.

Natureplus e.V.
German association with international intentions to provide for environmentably compatible building materials and sustainable construction technologies.

British Cement Association, BCA
National association of the cement industry in UK.

Adhesive and Sealants Council, Inc, ASC
American organisation promoting adhesive and sealants technologies.

The Flooring Contractor's Association FCICA
American association focussing on flooring installation technologies and education of contractors.

Association of Suppliers to the Thermal Insulation Industry in Russia ANFAS
The Association of Suppliers and Producers of Materials for External Thermal Insulation Composite Systems
International Concrete Repair Institute
American association for concrete repair technology, contractors & suppliers.
National One Coat Stucco Association (NOCSA)
One Coat Stucco is an exterior wall treatment made out of portland cement, sand, fibers and special chemicals. The mission of NOCSA is to promote the manufacturing and installation of quality one-coat stucco. Provides technical information and answers on FAQ's as well as a list of the manufacturing members. Located in the United States.
The German Cement Works Association (VDZ)
Verein Deutscher Zementwerke e.V. (VDZ).
British Lime Association
Industry association of the lime miners and manufacturers.
Industrieverband Hartschaum IVH e.V.
Association of the German EPS industry.
European Association for External Thermal Insulation Composite Systems (EAE)
Umbrella organisation of European ETICS (EIFS) associations.
Association for the Control of Emissions in Products for Flooring Installation, GEV
GEV (Gemeinschaft Emissionskontrollierte Verlegstoffe e.V) has been established in order to improve formulations of SLUs, screeds, flooring adhesives and floor coverings in terms of VOC emission reduction. GEV has developed the Emicode product classification system and issues Emicode EC-1 certifications.
Fly Ash Information Center, Maharashtra
Information pool on fly ash applications including use as hydraulic binder in drymix mortars. Located in India.
British Mortar Industry Association MIA
The Mortar Industry Association is one of the constituent bodies of the Quarry Products Association.
Bundesgütegemeinschaft Betonflächeninstandsetzung e.V.
German association for the renovation of concrete surfaces.
Zentralverband des Deutschen Baugewerbes e.V., ZDB
German industry association for the building trades. Umbrella organisation (amongst others) of German Association of Flooring Installers and German Tile Layer's Association.
Fachverband Fliesen & Naturstein
Industry association for Germany's tile and natural stone installers.
National House Building Council NHBC
UK House building association with focus on warranty and certification issues (products, contractors/builders, performance).
Bundesverband Ausbau und Fassade im ZDB
German Association for Interior Finishing and Facades
China National Adhesives Industry Association CNAIA
Industry association covering adhesives
Bundesgütegemeinschaft Instandsetzung von Betonbauwerken, IB
German industry association for concrete renovation.
AIDICO, Instituto Tecnologico de la Construccion
Technological institute for the introduction of modern construction methods for the Valencia area. Issues technical papers and holds lectures.
Institut Fortbildung Bau IFBAU
Joint initiative of architects and builders for education on construction technology. Regional focus: south-west Germany.
Construction Specifications Institute
American association of specifiers in construction (architects, engineers, building material suppliers etc.)
Operative Palsterer’s & Cement Masons International Association OPCMIA
The International Community for Drymix Mortar

US association for plasterers and cement masons.

**European Resin Manufacturer's Association, ERMA**
ERMA was founded in 1994 in order to provide the resins industry with a homogeneous representation towards government and other regulatory bodies. Another vital goal of ERMA is to support communications amongst the members concerning technical and environmental issues as well as normation processes.

**Cembureau, Organisation of the Cement Industry in Europe**
Industry association acting as an umbrella organisation for 23 national cement industry associations. Current president: Dr. Sandro Buzzi.

**Industrieverband Werktrockenmörtel e.V., IWM**
German Association for Drymix (Factory Made) Mortars.

**International Federation of Asian and Western Pacific Contractors' Associations (IFAWPCA)**
Asian contractors’ association, check out sub-page “members” for details on national associations.

**National Concrete Masonry Association**
British industry association for glass and mineral wool manufacturers (formerly called Eurisol).

**British Masonry Society**
Association of the masons and the supplying industry for masonry in the UK.

**NeMo, Nederlands Mortel Organisatie**
Association of Dutch mortar producers and partially also an umbrella association of mortar related groups.

**Bundesarbeitskreis Altbaueinrichtung e.V.**
Work group focussed upon the renovation of existing buildings (german site).

**CEPMC**
Council of European Producers of Materials for Construction, the umbrella association for the national councils for construction materials.

**Industrieverband Klebstoffe e.V.**
German Industry Association for Adhesive Manunfacturers and Raw Material Suppliers

**Drywall Finishing Council, Incorporated**
Industry association for all issues that are commonly faced by manufacturers of materials used in the finishing of drywall. Website currently out of function (06/04).

**Wissenschaftlich-Technische Arbeitsgemeinschaft für Bauwerkserhaltung und Denkmalpflege WTA**
International Association for Science and Technology of Building Maintenance and Monuments Preservation, with branches in Switzerland, Austria, Holland, Czehia, Hungary.

**Eurogypsum**
European federation of national associations of producers of gypsum products. Its prime aim is to promote both the products and interests of these producers.

**Deutsche Gesellschaft für Nachhaltiges Bauen DGNB e.V. (German Green Building Council)**
Association for the promotion and certification of sustainable building.

**European Federation of Construction Chemicals EFCC**
Umbrella organization of the National Construction Chemicals Associations in Europe

**European Aggregates Association UEPG**
UEPG was founded 1987 by 16 national industry associations for the manufacture and distribution of aggregates. It focusses upon the implementation of standards, the influencing of EEC issues and policies as well as the development and publication of public relation strategies.

**Syndicat National des Mortiers Industriels SNMI**
French drymix mortar association.

**Bundesverband Feuchte & Altbausanierung e.V.**
German Association for restoration of historic buildings and the prevention and repair of damages caused by
intruding humidity.

International Masonry Institute
US association of the masonry and render applicators and contractors.

Bundesverband Baustoffe, Steine + Erden e.V.
German association of construction material manufacturers.

Österreichische Arbeitsgemeinschaft Putz e.V.
Austrian Technical Initiative for Renders and Plasters.
