The International Community for Drymix Mortar

Category: [Cement](#)

As of: 09. May 2025

URL: <http://www.drymix.info/industry-directory/cement/>

[Material Innovative Gesellschaft mbH \(MIG mbH\)](#) (German)

Manufacturer of chromate-reducing agent (cem-protector) based upon stannous (tin) II sulfate. Several products available in powder form

[Material Innovative Gesellschaft mbH \(MIG mbH\)](#)

Manufacturer of chromate reducers in powder form for the addition to regular cements in drymix mortars (german only).

[Ciments Molins Industrial S.A.](#)

Manufacturer of grey and white cement, also manufacturer of drymix mortars.

[Royal White Cement](#) (English)

Manufacturer of white cement as well as high alumina cement and calcium sulfo aluminate cement.

[TIMAB Magnesium SAS](#) (English, French, Spanish)

Mining of magnesium ore and manufacturing of respective compounds such as Magnesium Cement (MOC, MOS, Sorel Cement) and Magnesium Phosphat Cement (MPC) and Magnesium Silicate Hydrate.

[Oyak Cement](#) (English)

Manufacturer of gray, white and low-clinker (carbon-reduced) cements.

[Loma Negra C.I.A.S.A.](#)

Producer of clinkers and cements as well as drymix mortars (trade name Plasticor) for general masonry as well as CTA.

[Cimpor, Cimentos de Portugal](#)

Manufacturer of aggregates, limestone and cement with 8 facilities in Europe (Spain, Portugal), Africa and South America.

[Votorantim Cimentos](#)

Manufacturer of portland cement (plants in Brazil, US and Canada). Votorantim has also developed its own line of drymix mortars, Tradename Votomassa. Located in Brazil.

[Urumieh White Cement Co.](#)

Manufacturer of white cement (tradenname Urmia).

[Lafarge SA](#)

Produces a wide range of cements: Portland cements, portland composite cements, high alumina cements and special cements.

[Gujarat Ambuja Cement Ltd.](#)

Fourth largest cement producer in India, capacity about 12,5 mio tons/year of standard cements.

[Teutonia Zementwerk AG](#)

Producer of portland cements, portland-composite cement (portland-slag cement), blastfurnace cements, and hydrophobic cement (named Pectacrete).

[Deuna Zement GmbH](#)

Producer of portland cement, portland-composite cement (portland-limestone cement, portland-slag cement), blastfurnace cement, and pozzolanic cement.

[Ras Al Khaimah Co. for White Cement & Constr. Materials](#)

Manufacturer of white cement and other specialty cements, also quarrying and refining lime and manufacturing calcium silicate bricks.

[Pretoria Portland Cement Co.](#)

Manufacturer of limestone, lime and cement as well as aggregates and gypsum. Several plants in South Africa

and two in southern Zimbabwe.

[Vigier Cement AG](#)

Producer of portland cements and portland-composite cements (portland-limestone cements).

[TIB-Chemie](#)

Manufacturer of stannous (tin) II sulfates used as chromate reducing additive for cements.

[Tubag Trass Vertrieb GmbH & Co. KG](#)

Producer of several trass cements (pozzolanic cements).

[Readymix AG](#)

Producer of portland cement, portland-composite cement (portland-slag cement), and blastfurnace cement.

[Titan Cement Group](#)

Manufacturer of various types of cement with plants in south-eastern Europe, Asia-Minor, Africa (Egypt) and the southern US (Virginia, Florida). Several ready-mix concrete operations (Greece, US). Located in Greece.

[Orsacom Construction Industries](#)

Manufacturer of cement in Egypt and Algeria (Capacity 9 Mio t). Group has other construction activities such as engineering, sheetrock manufacturing and ready-mix concrete

[Federal White Cement Co.](#)

Manufacturer of white cement.

[Holcim Ltd.](#)

Producer of portland cements, blastfurnace cements, portland-composite cements and specialty cements.

[Caltra Nederland BV](#)

Marketing organisation for white cement. (Calwhite) Located in The Netherlands.

[Grupo Minetti](#)

Manufacturer of cement and ready-mix concrete in Argentina, partner of the Holcim Group.

[Ssangyong Cemnet Co.](#)

Largest cement manufacturer in Korea.

[Saudi Cement Company](#)

Manufacturer of ordinary portland cement (OPC), sulphate resisiting cement and oil well cement.

[Siam Cement Group](#)

Manufacturer of various grades of cement, mortars (Siam Mortar), and also has a ceramic tile operation (Cotto) as well as a drywall (gypsum board) operation, a joint venture with Lafarge Boral East Asia Ltd.

[Adana Cimento, a Div. of Oyak Group](#)

Manufacturer of white cements (CEM I and CEM II). Also manufactures various grades of OPC.

[Taiheiyo Cement Corporation](#)

Japanese industry conglomerate focussing on construction products and real estate. Taihaiyo is also a major japanese manufacturer of aggregates, limestone, lime and cement (various grades).

[Italcementi Group \(Italcementi S.p.A.\)](#)

Globally active manufacturer and distributor of various grades of cement and ready mix concrete, over 50 operations in Europe, Asia, Africa and North America.

[Taiwan Cement Corporation](#)

Manufacturer of cement types I through V as well as high strength cement and high-performance ready-mix concrete.

[Associated Cement Companies ACC Ltd.](#)

One of the major cement manufacturers of India, also offering HAC.

[Dyckerhoff AG](#)

Producer of portland cement, portland-composite cement, and blastfurnace cement (only german website available, part of Buzzi Unichem; see there).

[TXI Corporation, Texas](#)

Manufacturer of building products such a cement, aggregates and reinforcing steel. Also produces a line of

Sakrete drymix mortars.

[Schwenk Zement KG](#)

Producer of various portland cements (CEM I), portland composite cements (CEM II/A-LL, II/A-S, II/B-S, II/B-P), and blastfurnace cements (CEM III/A und III/B).

[Ciments Francaises, Italcementi Group](#)

Manufacturer of various grades of cements, aggregates and readymix concrete with operations in France, Asia and North America (Canada). Since 1998, Italcementi holds the stock majority in Ciments Francaises.

[Cemex SA de VC](#)

Manufacturer of white cements at various locations worldwide.

[Adelaide Brighton Limited](#)

Producer of lime, fly ash, slag, clinker and cement (various grades) as well as ready-mix concrete (Hy-Tec Concrete brand) and drymix products. Company has about 17 manufacturing operations all over Australia.

[Aalborg Portland Malaysia](#)

Manufacturer of white cement.

[Ash Grove Cement Company](#)

Producer of limestone, lime and various grades of cement, including specialty cements such as Duracem F (bland with 25 % flyash) and Aerimix (structured by micro-pores, for better freeze-thaw stability). Ash Grove is headquartered in Overpark, KS, Ash Grove operates cement plants in 9 US states.

[Vicat S.A.](#)

Producer of portland cements, portland-composite cements and cement specialties: quick-setting cement (Prompt cement) and its derivatives (Vicaples)

[Lehigh White Cement](#)

Manufacturer of white cement (part of Lehigh/Heidelberg Group).

[JK White Cement Ltd.](#)

Manufacturer of white cement with production in India and the UAE.

[Aalborg Portland A/S](#)

Producer of several portland cements (including white cement) and portland-limestone cements.

[Eastern Province Cement Co., Dammam](#)

Manufacturer of various types of cement. Located in Saudi Arabia.

[Holcim \(Baden-Württemberg\) GmbH](#)

Producer of portland-burnt shale cement CEM II/B-T 32,5 R / 42,5 R / 52,5 R. In addition, under the name of Terrament a portland-burnt shale cement with natural reddish-brown colour is produced.

[HeidelbergCement AG](#)

Producer of portland cements, calcium aluminate cements, white cements, trass cements, highly sulphate resisting cements (Aquament, Anti-sulphate) as well as extremely fine cement for soil injection and masonry repair.

[SOBOCE, Sociedad Boliviano de Cemento S.A.](#)

Manufacturer of various grades of cement with several installations all over Bolivia.

[Anneliese Zementwerke AG](#)

Producer of various cements: Portland cements, portland-composite cements, and blastfurnace cements. Produces special grades of portland cement especially for the production of drymix mortars (integrated into Heidelberger Zement websites).

[Cemex S.A. de C.V.,](#)

Cemex is one of the largest cement manufacturers of the world with facilities in central America, southern Europe, Africa and east Asia. Cemex has over 25.000 employees worldwide.

[Dyckerhoff Weiss Marketing- und Vertriebs-Gesellschaft mbH](#)

Producer of white cement.

[Sabanci Group](#)

drymix.info

The International Community for Drymix Mortar

Large turkish industrial conglomerate, also featuring major cement production capacities in Turkey, some of them as joint-venture with Heidelberger Cement.

[Schretter & Cie](#)

Producer of portland cements, portland-composite cements, blastfurnace cements, and several specialties like binders for shotcrete or for SCC.

[W.R. Grace & Co.](#)

A complete line of grinding aids, quality improvers and masonry cement additives for use in the production of cement.
